

Rechargeable Spotlight

Break through the darkness with the new Energizer Rechargeable Spotlight, featuring top brightness and outstanding durability to be your best companion in every situation. Its compact and lightweight body houses best in class LED, a high performance lithium-ion rechargeable battery and a handy compartment to hold the USB charging cable. The folding stand allows handsfree use - just sit the light down and point it where you need it. The large push button works great even whilst wearing gloves and makes it easy to use, perfect for workers wearing PPE or walkers on a cold night.
