

EU DECLARATION OF CONFORMITY

We: Schneider Electric
35 rue Joseph Monier
F - 92506 Rueil Malmaison

declare under our sole responsibility that the products

Trademark: **Schneider**
Electric

Name: Modicon M580 safety
Type: Industrial Programmable Controller
Models: BMXxxx, BMExxx, (xxx are letters and numbers); refer to the "Modules" section further on in this document for the list of safety modules

subject to installation, maintenance and use conforming to its(their) intended purpose, to the applicable regulations and standards, to the supplier's instructions and to the accepted rules of the art, are in conformity with the provisions of the following EU directive(s):

- 2006/42/EC Machinery Directive
- 2014/30/EU EMC Directive
- 2012/19/EU WEEE Directive

and that standards and/or technical specifications referenced further on in this document and/or overleaf have been applied.

Harmonized standards

EN ISO 13849-1:2015; EN ISO 13849-2:2012; EN 61131-2:2007; EN 61000-6-4:2007/ A1:2011; EN 61000-6-2:2005/AC:2005; EN IEC 62061: 2021

Non-interfering modules are listed in the Type examination certificate by TÜV on the website <http://www.fs-products.com/> (type "M580" as a keyword). Refer to the "Technical documentation" section below for the associated EU declaration of conformity.

Accessories, connectors, memory cards (BMXFTB..., BMXRMS..., BMXRWS...) are also tested with the related products in the system configuration. The M580 safety configuration can include non-interfering modules. Refer to the correct Product Version (PV) listed in the Type Examination Certificate by TÜV.

Technical documentation

For the European Union competent authorities, the manufacturer keeps the technical documentation in the confidential file PHA8883700.
